Hi Dan,

I checked in OPPIN and it has the cancellation date as June 4, 2011.

Let me know if I can help with anything else.

Jennifer,

I am working on a Verification Memo for the active, Bromdifacoum, in regard to the SF Bay Endangered Species Lawsuit and need to verify the cancellation of the above 2 Brodifacoum products that we conditionally registered in Nov 2008, with an expiration date of June 4, 2011.

If you request the jackets for these 2 products in OPPIN, a note should pop up saying that the products are cancelled with a cancellation date. I would be very appreciative if you could inform me 1) if OPPIN shows the products to be cancelled and 2) the cancellation date.

I am working at home and do not have access to OPPIN.

Thank You,
